ALL-COUNTY LETTER NO. 74-8

TO: COUNTY WELFARE DIRECTORS

STATISTICAL REPORTING OF DISCONTINUANCES DUE TO HR 1

As adult aid cases are discontinued from your caseloads due to transfer to the Social Security Administration, they will be assigned a unique code, "88", for purposes of Form 278M, Authorizations to Start, Change, or Stop Aid Payments.

They will be reported in the proper column, Item 9, of Form ABD 237, Adult Aids--Cash Grant Caseload Movement and Expenditures Report.

On Form ABCD 253, the quarterly Report on Reasons for Discontinuances of Cash Grant, please report these discontinuances by typing a line above Item 5 on the back of the form to read: "Discontinuances due to HR 1 (88)" and enter the total number of Code 88 discontinuances, for each program, in the appropriate columns.

Questions concerning this procedure should be directed to the Program Information Bureau, (916) 322-2230.

Sincerely yours,

GARY G. ADAMS
